

# Scynapse React User Stories

- As a user, I want to be able to view all the movies in a catalog so that I can browse through the available options.
- As a user, I want to be able to search for movies by title so that I can easily find specific movies that I am interested in.
- As a user, I want to be able to view details for a specific movie so that I can learn more about the movie before deciding whether or not to watch it.
- As a user, I want to be able to log in and create a user profile so that I can personalize my experience on the site.
- As a user, I want to be able to save movies to a list of favorites so that I can easily keep track of movies that I want to watch later.
- As a user, I want to be able to update my profile information so that I can keep my account up to date.
- As a user, I want to be able to view my list of favorite movies so that I can easily see which movies I have saved to watch later.
